

SHORT TIME. BIG IMPACT.

Are you an experienced interim?
Have you moved on from your last assignment?
Or are you looking for your next senior role?

We're looking to add to our pool of senior interim leaders. We've a range of short and longer-term assignments available now.

At ema consultancy we are looking to build on our extensive network to help organisations source experienced leaders with impact across housing, care, charities and local government.

We help when clients need continuity when they have a short-term problem to solve, when their leadership structure is undergoing change, to manage new projects or source new business.

Whether interim or permanent - forward your CV and current day rate / full package in confidence to susan.richardson@emaconsultancy.org.uk or call on **07366 890790**. Alternatively contact us via emaconsultancy.org.uk and schedule a confidential discussion to enable ema consultancy to help you to source your next assignment.
